

Comfort Step 42

The ideal balance of comfort and performance.

Your workers are your most important assets; keeping them safe and comfortable increases productivity and reduces safety and injury risks. Comfort Step's 3/8" thick vinyl construction provides a soft yet resilient surface designed to reduce standing pressure on joints, allowing workers to stand comfortably for longer. Fire and chemical resistant, Comfort Step is the high-performance anti-fatigue matting solution for the most demanding industrial environments.
